2019 Emerald Evening Gala September 12, 2019

Each year, GBA's supporters and community partners come together to celebrate notable projects and people who have impacted our region – and the globe – with visionary sustainability projects. Sponsorship of GBA's Emerald Evening demonstrates your company's leadership in shaping a sustainable future where everyone can thrive.

This year's gala will be hosted at the MuseumLab – one of Pittsburgh's new cultural institutions and a shining example of the work that GBA members accomplish. This historic project of the Children's Museum of Pittsburgh is pursuing some of the most rigorous certifications in performance and health, in addition to meeting Pittsburgh 2030 District goals.

This premier networking event and awards ceremony has attracted 300+ industry leaders and received coverage from local media outlets such as WHIRL Magazine, NEXTpittsburgh, WYEP and WESA. With your sponsorship of the event, you have the opportunity to place a custom advertisement in the evening's program, in addition to your logo featured on Emerald Evening marketing material. Olive and higher sponsors can display their logo on GBA's digitally disseminated award recognition videos to be shared across social media platforms and alongside national news pitches. We're excited to spread the word of the region's success and we want to include you in that conversation!
