

# Pittsburgh 2030 District

## District Affiliate Commitment Pledge

### Locally driven, internationally recognized

The Pittsburgh 2030 District, a strategic initiative of Green Building Alliance (GBA), sets national standards for high performance building by committing properties to the 2030 Challenge goals: reducing energy and water consumption as well as transportation emissions by 50% by the year 2030, while improving indoor air quality. As the largest 2030 District in the world, the robust network of over 540 properties - representing more than 84.8 million sq ft - has saved Partners \$135 million and avoided over 1.2 million metric tons of CO<sub>2</sub> to date.

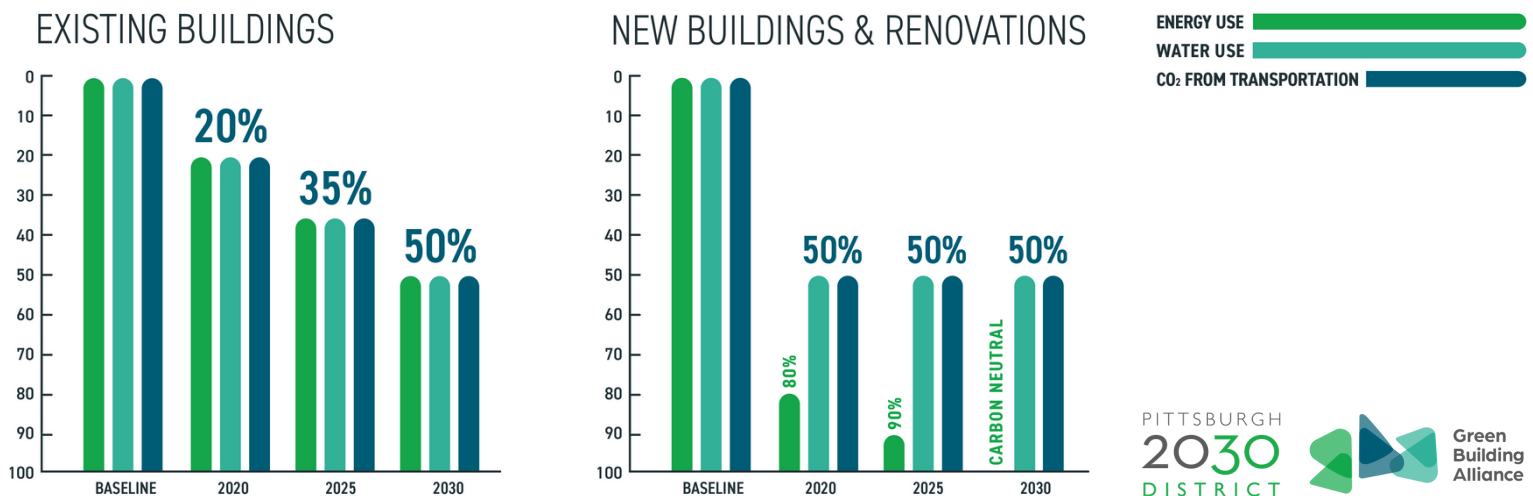

### Benefits

- Annual building performance reports
- Discounts to quarterly Bridge to 2030 educational series, featuring discussions on market trends, new technology, renewable energy, and financing
- Access to technical assistance on all building projects from GBA staff
- Recognition on published lists of committed partners and maps
- Connections to Pittsburgh 2030 District Resource and Community Partners
- Help with City benchmarking legislation if applicable

### Requested Actions

- Support GBA through organizational membership - contact Elisabeth Udyawar (elisabethu@gbapgh.org)
- Make a good faith effort to improve building performance and reach 2030 Challenge Goals
- Report annual water and energy usage to GBA staff via an excel document, or Energy Star Portfolio Manager account
- Contact Paige Colao (paigec@gbapgh.org) if you have any building questions!
